**Thought for the Day:** The feast of Pentecost celebrates the unseen, immeasurable presence of God in our lives and in our Church - the *ruah* that animates us to do the work of the Gospel of the Risen One, the *ruah* that makes God's will our will, the *ruah* of God living in us and transforming us so that we may bring His life and love to our broken world. God 'breathes' His Spirit into our souls that we may live in His life and love; God ignites the 'fire' of His Spirit within our hearts and minds that we may seek God in all things in order to realise the coming of His reign.

*Fr Antony Kadavil*

(*Ruah* is a Hebrew word that means breath, air, or wind. It is often used to indicate the Spirit of God or the Holy Spirit)
